Sir:

Aside from the attorney-prepared receipt postal cards, date stamped by the U.S. Patent and Trademarks Office (PTO), and the formal Filing Receipt (received September 12, 2001) no other written correspondence has been received from the PTO regarding the above-identified application.

Said Attorney on July 23, 2002, filed (with related receipt cards) a Status Letter dated July 8, 2002. On August 14, 2002, at approximately 2:45 PM, a party from the PTO, identified only as Ms Smith, by telephone, advised that a first Office Action (from Examiner William Hong) on the merits should be expected in about four (4) weeks from that (August 14th) date.

A Second Status Letter was filed in the PTO on December 31, 2002, and in response thereto, one Ms Trudy Mitchell of the USPTO, by telephone at approximately 10:57 AM on January 27, 2003, advised said attorney that said application was re-assigned to W. Donald Bray and that an Office Action could be expected about March 27, 2003. Since then no further communication has been received from the PTO.

Please advise the below-identified attorney when receipt of an Office Action on the merits may be expected.

Respectfully submitted,

STEVEN M. KASSUBA
